Refractive Surgery Payment Policies

At the Abilene Excimer Laser Center, we offer a comprehensive laser vision correction fee, which includes a personal evaluation and consultation, pre-operative, surgical, and post-operative care for one year. We believe our patients deserve and expect the highest quality of care. Our fees do not change by the prescription, or by the amount of care needed. We offer financing options that make refractive surgery very affordable and accept flex plans, Mastercard, Visa, Discover, Care Credit check or cash.
